

LABORATORY HOTPLATE LH-300/400

Laboratory hotplates for uniform and reproducible heating of multiple samples simultaneously at the equal conditions.

- Flat heating element
- Fast heating and cooling
- Stainless steel case
- Feedback control
- Stepless heating power regulator
- CE certification

LH-405

	LH-302	LH-402	LH-403	LH-404	LH-405
Surface type	glass ceramic	aluminum	sand bath	aluminum	
Controller type	analog			digital	analog
Temperature max, C	375	400			
Temperature deviation, °C	≤±15	≤±5			
Plate dimensions, mm	460x320	435x315	435x315x50	435x315	
Mains supply, V/Hz	220/50				
Power consumption, W	2500				1800
Dimensions, mm	480x440x130	470x453x110	470x453x160	470x453x110	285x370x110
Weight, kg	15				9
